Section 1. Preliminary Statements

Applicants submits herewith patents, publications or other information, of which they are aware that they believe may be material to the examination of this application and, with respect to which, there may be a duty to disclose.

The filing of this information disclosure statement shall not be construed as a representation that at search has been made, an admission that the information cited is, or is considered to be, material to patentability, or that no other material information exists.

The filing of this information disclosure statement shall not be construed as a statement against interest in any manner.
